CREDIT HOUR & GRADING GUIDELINES FOR THE UNIVERSIDAD SAN FRANCISCO DE QUITO

These guidelines have been developed based on information provided by the partner institutions and by professional credential evaluation organizations. Since many of the systems involved do not use the contact-hour method of calculating credit in use at NC State, this should be taken as a guide rather than an absolute standard.

CREDIT HOURS

The Universidad San Francisco de Quito uses a system identical to NC State. Each credit hour corresponds to one contact hour of fifty-five minutes per week, and each semester consists of 15 weeks. Regular courses have three credit hours.

GRADING SCALE

USFQ uses the same basic grading scale as the United States, except it does not recognize pluses or minuses.
