

Agriculture & Life Sciences, Horticulture Plant Biology, Plant and Soil Sciences

INTEREST FORM

Receive recommended programs and information specific to your major and interests!

go.ncsu.edu/studyabroadinterest

ADVISING

Study Abroad and Graduate On Time!

Talk to your Academic Advisor to identify a time in your degree plan to study abroad & discuss the best courses to take abroad.

FUNDING

Use a Combination of Resources!

go.ncsu.edu/fundingstudyabroad

Financial Aid travels with you. NC State will award more than \$400,000 in study abroad scholarships this year and typically 30% of applicants receive scholarships. Personal fundraising is effective to raise additional funds. Most students use a combination of aid.
