  - International Internship Opportunities

**SWEDEN**

**UNITED KINGDOM**

“Studying abroad has changed me as a person... the way I think and how I interact with life on a whole new level.”  
- Prague Institute Past Participant

## PRAGUE INSTITUTE

The Prague Institute offers the opportunity for any student to study for a summer, semester or year in Prague through a variety of design studios and general education courses. The Institute offers specially designed semester programs in architecture, glass studio, fashion and costume design, digital photography, design and multimedia. Summer offerings include many more!

“I think study abroad is a great opportunity and the Czech cultures is so unique. I was really lucky to be immersed in the city and culture of Prague and would urge anyone else to do so as well.”

-Prague Institute participant

## FEATURED SEMESTER PROGRAMS

The following programs have been identified as best-fit programs for **College of Design** students; however, students are welcome to participate in other programs.

### **AUSTRALIA** | University of Adelaide

A cultural hub for arts, food, entertainment, beautiful landscapes, and friendly people. The university offers programs in architecture, urban design, landscape architecture, design studies, media, computing, & fine art - in addition to many humanities course options.

**AUSTRALIA** | Royal Melbourne Institute of Technology (RMIT) Study in Melbourne, a thriving business and cultural center, with a busy student scene. Emphasizing theory and practical education, RMIT offers a wealth of industrial, interior, textile, architecture, urban, and graphic design programs.

### **HONG KONG** | Hong Kong Polytechnic University

Located in the heart of one of the world's largest cultural and economic centers, HKPU offers courses in design, textiles and clothing, and multimedia technologies. All courses are English-taught with many other general education (GEP) and cultural studies offerings.

### **SWEDEN** | Lund University

Home to Sweden's largest science park, one of the world's top locations for science and engineering innovation - Scandaniva is an ideal place to study industrial design. Many previously approved courses available - many courses offered in English.

### **UNITED KINGDOM** | University of Leeds

Situated in the heart of a vibrant and multicultural city, participants can study in the University of Leeds Schools of Design, Computing, and Fine Art - in addition to many humanities course options.

---

## FEATURED SHORT TERM PROGRAMS

### **GERMANY** | Innovation , Design, and Marketing (Summer)

For innovation and design to be relevant in the marketplace, there must ultimately be some benefit to the user or the customer. Additional optional GEP courses can be taken in place of the design course. **Credit:** BUS 495 and ID 490.

### **UNITED KINGDOM** | Stitching a Cultural Identity

(Summer) Learn traditional embroidery techniques and the history of stitching in the British Isles through a series of field trips. **Credit:** ADN373: Traditional Hand Embroidery, ADN 492: History of Stitching on the British Isles.
