## INTEREST FORM .....

Receive recommended programs and information specific to your major and interests!

[go.ncsu.edu/studyabroadinterest](http://go.ncsu.edu/studyabroadinterest)

## ADVISING .....

Study Abroad and Graduate On Time!

Talk to your Academic Advisor to identify a time in your degree plan to study abroad & discuss the best courses to take abroad. Often the sophomore year works ideally for undergraduate Education students!

## FUNDING .....

Use a Combination of Resources!

[go.ncsu.edu/fundingstudyabroad](http://go.ncsu.edu/fundingstudyabroad)

Financial Aid travels with you. NC State will award more than \$400,000 in study abroad scholarships this year and typically 30% of applicants receive scholarships. Personal fundraising is effective to raise additional funds. Most students use a combination of aid.

## SEMESTER PROGRAMS

Australia  
University of Adelaide

Australia  
University of Wollongong

Poland STEM

South Africa  
Stellenbosch University

United Kingdom  
University of Leeds

Study with other NC State students and receive extra on-site support at this strategic partner university. Courses available for all undergraduate students from the College of Education!

Take courses in the UOW's faculty of Education, such as aboriginal studies, psychology, physical health training, mathematics teaching, and science education.

Ideal for STEM majors, added on-site student support services from NC State faculty. Students take courses at Adam Mickiewicz University in the beautiful and historic riverside town of Poznan.

Nestled between picturesque mountains in the Cape Winelands, Stellenbosch University offers a beautiful environment to students who choose to study there.

Leeds offers a variety of courses in Education and a wealth of majors in the heart of England. The city has a thriving cultural scene, variety of sports, and urban regeneration.

## SHORT TERM PROGRAMS

China: Teaching, Learning, Counseling, & Student Services

Czech Republic:  
NC State Prague

Finland and Estonia:  
Developing Collaborative Research Partnerships

## STUDENT TEACHING ABROAD

China: Student Teaching

Explore the Chinese educational system and learn social and cultural topics through research projects in collaboration with students at Beijing Normal University. Credit: ECD 692 Tentatively: Spring '19

This premier NC State program offers a choice of GEP offerings each summer in one of Europe's most beautiful cities.

How should educators focus research efforts to improve practice? With Finnish graduate students, this program offers a comparative learning experience while develop collaborative research projects. Credit: EAC 795

On this short term study abroad program, students will observe K-12 classrooms, facilitate instruction and compare education experiences while receiving ED 590 credit.

Not Offered for 2017-2018  
Tentatively: Spring '19

Italy: History and Italian Studies in Florence

Mexico: Culture, Language, & Service Learning for Educators

United Kingdom: STEM & Liberal studies

Nestled in the landscape of Tuscany, students select from courses that fulfill GEP requirements while exploring the many adventures Italy has to offer.

Students will be prepared to teach in diverse learning environments through this cultural immersion program featuring Spanish language classes and living with a local family.

Participants fulfill six GEP courses, including ENG 331, with London as their classroom. Explore through cultural excursions to museums, British High Tea, and a West End performance.

The programs above have been identified as best-fit programs for Education students. Students are welcome to participate in other programs.
