ADVISING
Study Abroad and Graduate On Time!
Talk to your Academic Advisor to identify a time in your degree plan to study abroad & discuss the best courses to take abroad.

FUNDING
Use a Combination of Resources!
go.ncsu.edu/fundingstudyabroad
Financial Aid travels with you. NC State will award more than $400,000 in study abroad scholarships this year and typically 30% of applicants receive scholarships. Personal fundraising is effective to raise additional funds. Most students use a combination of aid.

## Semester Programs

<table>
<thead>
<tr>
<th>Country</th>
<th>University/Location</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sweden</td>
<td>Lund University</td>
<td>Lund is home to world-renowned Ideaon Science Park where innovations such as Bluetooth are invented. Take major specific and GEP courses in English.</td>
</tr>
<tr>
<td>South Africa</td>
<td>Stellenbosch University</td>
<td>Nestled between mountains and the Cape Winelands, Stellenbosch University offers a beautiful environment to students who choose to study there.</td>
</tr>
<tr>
<td>Ecuador/Galapagos</td>
<td>Universidad San Francisco de Quito</td>
<td>Quito is one of the most picturesque cities in Latin America. While in Quito students take major-specific or GEP courses taught in Spanish.</td>
</tr>
<tr>
<td>Germany</td>
<td>Universitat Stuttgart</td>
<td>Stuttgart offers some courses in English, but most are in German. Classes are in environmental engineering, biology, physics, and GEP's.</td>
</tr>
<tr>
<td>Hong Kong</td>
<td>Hong Kong Polytechnic University</td>
<td>Subjects include: food safety and technology, biology, biotechnology, and investment science.</td>
</tr>
<tr>
<td>Australia</td>
<td>University of Western Australia</td>
<td>UWA has an international reputation for science with strength in natural resource management and environmental sciences. BIO 360 / ENVT 2250 MEA 3337 / EART 3337 MEA 449 / SCIE 3307 NR 406 / BIOL 2261</td>
</tr>
<tr>
<td>Australia</td>
<td>University of Wollongong</td>
<td>One of the top research institutions in Australia, offers the opportunity to study geosciences, marine earth sciences, and resource and environmental sciences near the coastline.</td>
</tr>
<tr>
<td>United Kingdom</td>
<td>University of Leeds</td>
<td>Leeds offers courses in environmental sciences, geophysical sciences, environmental conservation, environmental management and sustainability, and numerous others.</td>
</tr>
<tr>
<td>Spain</td>
<td>Universidad Politecnica de Valencia</td>
<td>Valencia offers Spanish-taught courses in the departments of environmental sciences, tourism, forestry, and many other GEP options.</td>
</tr>
<tr>
<td>Poland</td>
<td>Global STEM Semester</td>
<td>Study at a top university in Poland with brand new facilities in a historic riverside city. There are many courses in Chemistry, Physics, Maths, Biological Sciences, International Relations, and Modern European History.</td>
</tr>

## Short Term Programs

- Bahamas: Biological Science on Andros Island
- Botswana: Public Health and Communication
- Canada/Sweden: Sustainable Use of Natural Resources
- China: Plant Resources, Ecology, and Culture
- Cuba: History, Environment, and Culture
- Czech Republic: NC State Prague
- Dominican Republic: Agriculture and Environmental Sciences
- France: Sport, Tourism & Cross-Cultural Management
- Ireland: Global Food Systems and Sustainable Agriculture
- Italy: International Agribusiness
- Mexico Sustainability in Emerging Countries
- Namibia: African Ecology and Conservation
- Nicaragua: Tropical Wildlife
- Poland: Biotechnology
- Scotland and Ireland: Global Food Systems and Sustainable Agriculture
- Spain: Language, Technology, and Culture in Segovia

The programs above have been identified as best-fit programs for Environmental Sciences students. Students are welcome to participate in other programs.
