“Spanish unlocked a trove of adventure for me as I studied abroad and became a Spanish university student in País Vasco, Spain. Not only did this provide rich personal and cultural connections, but also revealed to me the opportunities available to competent bilingual graduates in education, business, and society.”

Maggie Zargo
Universidad del Pais Vasco

FEATURED SEMESTER PROGRAMS

The following programs have been identified as best-fit programs for **Spanish major and minor** students; however, students are welcome to participate in other programs.

ARGENTINA | ISA: Buenos Aires

ISA's program in Buenos Aires offers a variety of program tracks, including intensive language; Latin American Studies; Society, Politics and Culture; Research in Agriculture, Environmental & Food Science; or Business, Hospitality, and Design.

CHILE | Universidad Adelfo Ibanez

Enjoy the beautiful campus located in Vina del Mar, a safe and comfortable city. Taking major-specific or GEP courses taught in Spanish alongside local students. Outside of class students will further their knowledge of Spanish while exploring all that Chile has to offer.

ECUADOR | Universidad San Francisco de Quito

Located in a narrow valley surrounded by the green slopes of the Andes, Quito is one of the most picturesque cities in Latin America. While in Quito students take major-specific or GEP courses taught in Spanish. Plus, the cost of attendance is less than on-campus in Raleigh!
Prerequisite: FLS 202 or equivalent.

SPAIN | Semester in Spain, Santander

Through a North Carolina consortium, participants enroll in intensive Spanish courses along with courses from the Universidad de Cantabria. This group program offers lots of support services and the comfort of studying with other North Carolina students, while immersing in Spanish geography, literature, art, history and language. **Prerequisite:** FLS 202 or equivalent.

SPAIN | Universidad del Pais Vasco

A leading research university with three campuses that host a broad range of offerings, including courses in the sciences and engineering. An intensive pre-semester Spanish language course available. **Prerequisite:** FLS 331 or equivalent.

SPAIN | Universidad Politecnica de Valencia

Situated on the Mediterranean Sea, Valencia offers a variety of course options, including engineering, business, environmental studies, and others. Plus some discipline-specific course work available in English. An intensive pre-semester Spanish language course is available. **Prerequisite:** FLS 331 or equivalent.
