## UAE

## UNITED KINGDOM

“My time spent in Sweden was not only a great opportunity for bettering myself but also for prompting my career. Through my travels, I gained a global perspective that I wouldn’t have been able to learn anywhere else. I am so grateful for my time spent getting lost, sticking my toes in different oceans, seeing famous monuments & artworks, eating new things, and making friends all across the world.”

Taryn Szarek, NC State Student  
University of Lund Study Abroad
