RALEIGH, NORTH CAROLINA

Home of NC State University, Raleigh blends the fun and excitement of a big city with the hospitality and charm of a small U.S. Southern town. Situated midway between the Blue Ridge Mountains and the Atlantic Ocean, the beach and the mountains are both a two to three hour drive away. Plus, with a climate that is mild year round, it's easy to see why Raleigh is consistently rated among the best places to live and work in the United States.

RESEARCH TRIANGLE PARK

North Carolina's capital city is located in the heart of the state and minutes from the world-renowned Research Triangle Park (RTP), the largest research park in the world. Opportunities may be available for students looking to complete Academic Training/Internships, class projects, or corporation visits.

CAMPUS LIFE

Exchange students can get involved with intramural sports teams, take fitness classes, and join any of the 700+ clubs and organizations, such as the Cultural Exchange Network. Students can also participate in the performing arts and take classes at the Craft Center.

"I lived on campus ... and so happy I chose to do so. I made great friends within my suite, had a roommate which was a completely new experience to me."
- Ayman Kampoori, Fall '19, University of Surrey
